Urgent

Effective 01/01/2023 Connecticut has added a Highway Use Tax Permit. They will require all motor carriers with a gross weight of 26,000 gvw and over to report all miles traveled in their state **each month** and pay up to 10 cents per mile. If you travel into or thru Connecticut this tax must be paid monthly.

If you would like for our Service Agency to register your company and obtain your Permit please return this order form. Please hurry, we don't have much time to obtain this permit for you.
